A one-of-a-kind beauty, enrapturing, that steals your breath away, leaving you speechless. An extraordinary idea as the only possible pathway, to get to where you want, to explore, to go beyond.

The freedom of embracing the unknown, that you know you'll love as a part of your very own story. A thought that provokes your mind and then inspires you to aim for the impossible, making mistakes, yet being brave.

A magic je ne sais quoi that enchants and intrigues you, moving you to feel more and to sense uniqueness.

The choice to risk it all, the one that makes you go for it, to impress yourself and all those who are worth it.

Welcome to Azimut.

THE DESIGN & LIFESTYLE ON BOARD

FLY 50, AN AUDACIOUS SOUL ON SHOW

As a symbol of Azimut's heritage, today's Fly 50 radiates the sensational seafaring and sportive charisma she has embodied since her very first launch. With a vanguard vision built on bravely innovative intentions, this timeless showpiece expresses nautical know-how through exceptional construction to achieve superior durability and reliability. Carefully planned and subtly sophisticated spaces round off the design's unparalleled aesthetic.

Live the legacy of the Fly 50.

Welcome aboard ladies and gentlemen.

Let us begin the tour.

SHE IS CHARM ON THE SEA

The Fly 50 is a timeless yacht, which perfectly embodies Azimut's foundational tradition of dynamism and distinction. Her lines are recognized from far away, for drawing pure Azimut DNA into an ever sleeker, irresistible body.

SUBLIME SEA-FRONT

The forelounge features forward-facing sofa and sunbeds, enjoying the seabreeze and the seaviews.

[The oversized sunpad cushions provide an abundance of comfortable lounging space on the bow.]

A BREATHE OF PURE FREEDOM

The fly offers flexible fun for the whole family across three inviting enclaves. On the aft part, the sunny lounge sofas, are set around a coffee table.

YOUR OPEN SPACE LIVING, BETWEEN SKY AND SEA

[The fore part is shared between the helm and a counter-facing dinette, with a social owner operator in mind.]

[The fully-appointed bar cabinet serves both social circles from a central position.]

[The cockpit proposes sheltered outdoor dining and relaxation for six.]

A RETREAT FOR QUALITY TIME

On the main deck, the spacious salon and fully appointed galley make this area ideal to spend some unique quality time with your guests. A cozy-chic atmosphere welcomes with pleasant forms and colors. No detail is left to chance, from the shapes of the cushions to the tabletop, in an environment designed for a higher standard of vacation.

[The raised galley frees up plenty of space below deck for a large pantry and a laundry column, providing all the storage you could need for a longer stay-cation.]

Now, let us discover the guest accommodations.

Shall we?

[Large windows flood the full-beam master suite with natural light.
Storage solutions are hidden away in every available space.]

[From the thoughtful bedside trays to the carefully selected materials, the VIP cabin continues to elaborate the unmistakable style of the interior design project.]

UNI ISO 8666

The performance described applies to a vessel with standard configuration (standard equipment installed) and a clean hull, propellers, and rudder. It is also noted that the performance described was recorded under favourable sea and wind conditions (Beaufort scale index 1, Douglas scale index 1); different and worse sea conditions could significantly impact performance.

CE MARK

Given the continual evolution of technology, Azimut | Benetti S.p.A reserves the right to modify the technical specifications on its vessels at any time and without prior notice.

ABOUT AZIMUT

A FAMILY-MADE COMPANY CULTURE

An immense and personal passion for the sea. A clear and forward-facing attitude. A strong and relentless work ethic. Since 1969, Paolo Vitelli, the creative visionary founder and businessman behind Azimut, has been set on challenging the industry's status quo with a daring desire: bring to life an unexpected nautical experience, through yachts built to combine alluring aesthetics with construction expertise and impeccable technology.

An audacious mindset that has, over time, surprised and captivated the yachting sector, transforming Azimut into a bold and recognizable benchmark, and laying the foundation for the birth of the largest megayacht builder in the world, the Azimut | Benetti Group.

The international and management-based standing of the company today, is deeply nourished by the solid and memorable family heritage that has distinguished it from the beginning. A historically pioneering vision that enables it to continue thriving day after day, through ingenious inventions and long-term goals that look to the future with Paolo's daughter, Giovanna Vitelli.

A SUSTAINABLE VISION TODAY, FOR TOMORROW

An avant-garde vision and a strong emotional appeal have shaped the history of Azimut as a leader in the field of nautical innovation as well as its commitment to the creation of a sustainable-oriented and attentive company culture today.

An ambitious and personal touch that has allowed Azimut to grow and evolve on both levels, embracing the challenge of a future nurtured by an eco-conscious approach to boat construction and by an authentic focus and responsibility on human well-being.

OUR ♻️ ECO-YACHTING PHILOSOPHY

The Azimut I Benetti Group has made tangible investments to guide the Technical as well as the R&D departments toward the construction of yachts with a diminished environmental impact. Its main areas of intervention have focused on significantly lowering fuel consumption and CO2 emissions through the development of highly efficient hull designs, innovative propulsion systems and an extensive use of carbon fiber to decrease yacht weight.

A SAFE AND HEALTHY WORK ENVIRONMENT

The forerunning shipyard of Avigliana was the first of the company's Italian shipyards to obtain the ISO 45001 certification in 2011, attesting its rigorous abidance to all occupational health and safety requirements. Recognized as the most technologically-advanced shipyard in Europe, it has also led the nautical sector revolution in terms of being among the earliest adopters of the vacuum infusion process to drive resin into a laminate, avoiding styrene emissions and therefore guaranteeing its precious workers a healthier setting.

As of 2013, all the other Italian production sites have adapted to meet the necessary requirements to obtain the ISO 45001 certification.
